Volume 4, Issue 3

## Move to greatness!

### A Note from the Principal:

Happy almost November! It was nice to see so many families at our fall carnival. A huge thank you to our PTT for sponsoring this event. I appreciate all the volunteers, parents, staff members, and students that help to make our school events so wonderful for students.

Our monthly assembly is this Thursday, November 2nd, at 9:50, and we would love to see you there. During these assemblies, we recognize students that have shown safe, respectful, responsible, and kind behavior throughout the past month. Students also have the opportunity to spin the "Wheel of Wonder" if their name is drawn from the bucket of moola. This is an exciting celebration of our Miller Mammoths.

Please see the back of this newsletter for the calendar of events for the rest of the month. Teachers are looking forward to meeting with families at conferences to discuss students' progress and they will send information home soon.

As many of you know, I am expecting a baby boy near the end of November and I will be out through the beginning of February as I spend time with this new addition to our family. Mr. Alan deMeurers (Mr. D) will be here during my absence. He was formerly the principal at Myers Elementary and just retired in June. He has already been spending time at Miller to ensure a smooth transition. Please don't hesitate to reach out to him if you have any questions or concerns while I am gone. Thank you for your continued support of our staff, students, and community.

Sincerely,

  
Laura Mata  
Principal

### Bond Measure "Listening and Learning" Session

The Salem-Keizer School Board is working on a general obligation bond for the May 2018 ballot. The bond measure is not yet final, but it is important for parents and members of our community to have the opportunity to learn about why a bond is needed and how it will benefit our schools.

Listening & Learning sessions give parents, school neighbors, interested community members, and district officials the chance to listen and learn from each other about the process to determine school needs and the School Board's progress on developing the bond measure.

Invitations will be made soon by auto-dialer to parents of students in all schools in each high school feeder system. Mark your calendar now for our meeting date:

- October 25, 2017, from 6:00 to 7:30 p.m. at North Salem High School

Please contact the Community Relations & Communications Department with any questions about the event. (503) 399-3038.

See page 2 for the November calendar
