A Note from the Principal:

January has sure flown by! Students returned from break and quickly settled back into the routine and are engaged in their learning. I love visiting classrooms and hearing the great conversations between teachers and students. Please join us next Thursday for our annual Title 1 Family Math and Literacy Night! This FREE event is a going to be a blast as we explore a variety of fun activities. Check out the flyer in the Tuesday Folder for more information.

We also hope you'll join us on Monday, February 11th at 3:45 for our PTT meeting. We will discuss upcoming events and would love your feedback and ideas.

Please see the back of this newsletter for the calendar of events for the rest of the month. Thank you for your continued support of our staff, students, and community.

Warmly,

Laura Mata

BOUNDARY ADJUSTMENT PROPOSAL

After receiving feedback from thousands in the community, the School Board is scheduled to vote on a boundary adjustment proposal at its February 12 meeting. If approved, new boundaries for many schools in Salem and Keizer will go into effect in the fall. Parents of students assigned to a new school will receive a letter from the district as soon as possible following action by the School Board. The letter will describe the new school assignment and will include information about the continuity exemption and deadline to apply. Information about the boundary adjustment proposal can be found on the district website at <https://salkeiz.k12.or.us/boundary-adjustments/>.

February 20 is Exclusion Day
